Subject :- Horijies required for the Nanjungud Temple :-

Nanjungud Amildar's Report no 33/418 dated 28th August 1902 (read in this Office on the 8th September 1902)

The Dy Commr of Mysore Dept, in his Docket no 246 dated 28th February 1902

Mysore Deputy Comm's Docket No 246 Dated 28th February 1902

"

On the above Docket the Dy. Commr solicited sanction to an Estimate for Rs 780 for preparing 3 ropes for the cars of the Sri Sheshan-tes wara swami temple at Nanjungud. As the cost was considered to be very prohibitive and as in the Central Jail such ropes were prepared, a reference was made to the Supdt. Central Jail asking him whether he would undertake the preparation and if so at what cost. In reply he has sent a sample rope prepared in Central Jail

and stated the
cost of preparing the required
length of the ropes at Rs 289-4-6.
This sample was sent to the
Amildar of Nanjungud
who wrote in reply that a
thicker rope was required & sent
a sample piece of the rope required.
This was sent to the Supt.
Central Jail who estimates
the cost of the preparation at Rs 399-6-0
& sent a sample piece that
was prepared in the Central jail
This was sent to the Amildar
who returned the same duly
approved.

Solicits sanction to
order being issued to the
Central Jail to take up
the work and finish it in
time so that it may be
ready for use during the
ensuing festival.

The Dy Commr
reports that the cost
may be met from the

Enclosure No. One + V/P.

Sir,

Adverting to your No. 1346
M.J. 165-92
dated 4th March 1902, calling
for certain particulars regarding
the estimate for Rs 780/-, for
preparing 3 hurgis or ropes
for the car of Sreekanteswara
Swami Temple at Nanjangud,
I have the honor to submit the
accompanying Amildar's report
No. 115 dated 7th March 1902
together with the enclosure recd
therewith

From these papers it will be
seen that it is not practicable
to get such ropes prepared
in time for the annual car
festival which comes off

on the 21st Instant. It has therefore been arranged to get the old hurzies repaired at a cost of Rs 12/- and the same supplemented with the loan of the ropes belonging to the car of the Sri Chamarajeswara Swami temple at Chamarajanagar. In this way the dragging of the cars of the Sree Sreekanteswara Swami during the ensuing Rathotsava will be managed.

2. It would appear that in the year 1882-83 two hurzies each of 60 yards in length were prepared at a cost of Rs 300; and the present Estimate is cut down to Rs 260/- and for each hurzey of double the length viz 120 yards. (Vide Perkal's report dated 7th March 1902)

In the year 1886-7 another hurzey at a cost of Rs 161-7-7 was got prepared out of cocoanut fibres locally obtainable which are less strong and durable than those known as the "Pondicherry ropes".

The new hurzies of the latter description will accordingly be prepared on receipt of sanction to the accompanying estimate so that they may be made available for the purpose from the next year.

I have the honor to be
Sir
